Hi Dave,

I attended the board meeting where the CPA voted to request a "temporary pause" by the STB while they "reviewed" the Larkin EUL. I have three questions:

1. Did the CPA in fact, request such a pause?
2. Would you be so kind as to tell me when they request a resumption?
3. How will we the people know if you are beginning to review the Larkin Plan in terms of environmental issues, as it is quite different than the port's previous CCAFS plan?

Thank for your kindness and patience with us all. We have very few avenues of reliable information...and you are it!

Cheers,
Mary
