Springville, AL 35146

Dear Ms. Dawkins:

I am writing in response to a request for comments on the proposed Vaughan Railroad Company constructing and operating a line of railroad located in Monongalia County, WV.

It appears from the information provided that Vaughan Railroad Company will have to obtain a General National Pollutant Discharge Elimination System Water Pollution Control Permit for Stormwater Associated with Construction Activities. My staff will do a detailed review of this project for issues concerning sediment and erosion control at the time application is made.

If you have any questions or comments you may contact me at (304) 926-0499 Ext 1336.

Sincerely,

William Timmermeyer
