

New Rail Road

Get involved Now !

A New Rail Road Company , Great Lakes Basin has proposed to build new lines, from Wisconsin , by passing Chicago to our LaPorte County. It will also go through Lake and Porter counties cutting into farms, taking away the farm land and reducing farm incomes.

Listed Cons

Chance of hazardous chemical spills

Train wrecks polluting rivers and streams

Ground water contamination

Less farm ground for food and income

Properties taken by **Eminent Domain**

Delays of emergency vehicles

Interruption of drainage systems

Flood plain problems

6 generation homesteads destroyed

Grade crossing safety

Danger to wetlands

Loss of largest Agro Tourism Farm in LaPorte Co.

Loss of six generation farms and orchards

Higher Property Taxes

As many as 5000 more trucks a day on our roads

Quality of life

More Noise and Vibration

More Railroad crossings

Longer waits at crossings

More pollutants in the air

More bridges for tax payers to maintain

Soil Pollution
