Retaining Docket No FD 35952
I Richard Lorenz, a farmer & owner of 300 acres
of prime farm land in the proposed Great
Lakes Basin Rail Line. I object to the take
over of what I have worked for 53 yrs.
I have been very active in activity in
the Grant Park area within Kankakee County.
I fear our country town and a great school
system will be destroyed. There is no evidence
this area will be improved except personal gain
for the proposed builder of the rail line

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submissions, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization.
