Transcript:

I'm calling to oppose the Canadian National Railroad Corporation a United States Subsidiary Grand Trunk Corporation that filed an application for the Federal Surface Transportation Board to seek approval and to acquire the EG&E West Company. I completely oppose that railway as a bypass around our inner-ring suburbs. This, I am about, I would say about 200 feet from a railroad and I do not want 42 trains per day passing by my home. Again, I oppose. Thank you. Bye
