Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

I am opposed to this acquisition for the following reasons:

- 1.) Environmental impact study is not complete & thorough.
- 2.) Safety - Police, Fire & Emergency rescue vehicles will greatly be affected. Too long of a response time. 1 life, 1 major accident, 1 house is too high of a price to pay for this development.
- 3.) Traffic Congestion - Delays from increased rail traffic is unacceptable. Traffic is already too congested.
- 4.) Noise - Train horns & general increase in rail noise is unacceptable.

This is not progress it is a major step backwards.

YOUR INPUT IS IMPORTANT!
