

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8/27/08

I DEEPLY OPPOSE THE CN RAILROAD COMMING THROUGH THE BARRINGTON RESIDENTIAL AREA.

- OUR SCHOOLS WILL SUFFER DELAYS
- EMERGENCY VEHICLES WILL BE DELAYED WITH TRAGIC CONSEQUENCES FOR INDIVIDUALS WITH SERIOUS HEALTH ISSUES AS WELL AS FIRE AND EMERGENCY PROBLEMS.
- INFRASTRUCTURE IS NOT CONDJSIVE TO THIS RAIL PROPOSAL. AS A TAX PAYER I DO NOT WANT TO HAVE AN UNNESSARY BURDEN PUT ON ME OR NEIGHBORING TOWNS TO ACCOMIDATE THE RAIL WAY.
- I OBJECT TO THE TRANSPORTATION OF CHEMICAL THAT COULD BE HAZORDOUS - SPILLS ARE A HUGE CONCERN WHE ALL EMERGENCY VETICLES WOULD BE STOPPED AT EVERY CROSSING IN BARRINGTON.
- THE NOISE OF 20+ TRAINS COMMING THROUGH BARRINGTON IS UPSURD. ALREADY THE HORNS ARE LOUD
- MY BUSINESS WILL SUFFER DUE TO THE TRAINS BACKING UP TRAFFIC ON ROUTE 14. WE ARE AT 113 W N.W. HIGHWAY, AND I BELIEVE TRAIN TRAFFIC CURTAIL OUR CLIENTEL. PLEASE CAR AND

YOUR INPUT IS IMPORTANT!
