

Resolution NO. 2016-4

A RESOLUTION OF NON-SUPPORT REGARDING THE GREAT LAKES BASIN PROPOSED RAIL LINE

A Resolution of Non-Support Regarding the Great Lakes Basin Proposed Rail Line

WHEREAS, the Village of Clinton Board has looked into the proposed Great Lakes Basin Rail Line;
and

WHEREAS, Chief Hooker met with the Rock Against the Rail Coalition and President Tracy attended a public meeting on April 6th, 2016 concerning opposition to the proposed rail line; and

WHEREAS, numerous valid public concerns were brought to the attention of Chief Hooker and President Tracy by citizens living not only outside of Clinton but within the Village of Clinton ; and

Now, THEREFORE BE IT RESOLVED, by the Board of Trustees of the Village of Clinton, Wisconsin that they do not support the building of the proposed Great Lakes Basin Rail Line.

BE IT FURTHER RESOLVED that the Board of Trustees of the Village of Clinton, Wisconsin feel this rail line would pose a Public Safety Threat, Threat to Future Economic Development, and a Hazard to the Environment.

BE IT FURTHER RESOLVED, that Chief Hooker is hereby authorized to forward this resolution to the United States Department of Transportation Surface Transportation Board who is conducting the environmental impact statement for this proposed rail line.

PASSED AND ADOPTED this 19th day of April, 2016

APPROVED:

Connie L. Tracy, Village President

ATTEST:

Pam Franseen Clerk/Treasurer
