REF: STB Finance Docket No. 34658

Dear Mr. Navecky:

The Eielson farm community had an opportunity on April 29, 2006 to receive an update from Mr. Brett Flint of the Alaska Railroad concerning the latest proposed routings of the Northern Extension of the Alaska Railroad through the Eielson farm area.

We were pleased to note that our initial concerns, noted in our November 7, 2005 letter to the Surface Transportation Board, have been addressed and a new routing identified as the Richardson Highway Segment has been added. This coincides to a major degree with the routing we had proposed in our earlier letter.

It is our hope that the Richardson routing is included in the EIS study. The Eielson farm community supports this routing and if it becomes the preferred routing, it will be actively supported by the entire farm community.

Sincerely,

Ron Illingworth, for
Eielson Farm Community

Cc Alaska Railroad, Brett Flint
