1 MR. QUIG: Thomas Quig, I am eight.
Page 1

2 well, we don't want people suffering from
3 Canadian National because the smoke from the
4 train will come into the air and pollute the
5 air which will make a lot of us get poison from
6 air. And the smoke could also flow into the
7 water, which could poison our water. We
8 shouldn't suffer from air and water poisoning
9 from the trains. That's all.
