Address 2					
City	New Lenox	State	IL	Zip	60451

Transcript:

I am very concerned about this railroad coming through New Lenox. I'm concerned about the public safety, the traffic, emergency vehicles getting through, the possibility of spills, environmental problems, and I really do not want this railroad coming through New Lenox. My phone number is 815-485-1620 and I oppose this Canadian Railroad coming through New Lenox. Thank you
