Please refer to STB Finance Docket No. 35087 in all correspondence addressed to the Surface Transportation Board. Comments must be submitted by February 1, 2008.

As I live in the area affected by the Canadian National Railroad purchase of the EJE Railroad, I believe with the purchase they should need to place bridges over the tracks. If they don't put in bridges, it will be traffic gridlock. We will have a real traffic problem with the many streets affected by EJE.

We had this gridlock on Eola Road before the bridge was put in over the tracks.
