Port MacKenzie Rail Extension Project
Environmental Impact Statement

COMMENT FORM

Your input is an important element in the Draft Environmental Impact Statement phase of this project. To help us incorporate your views and suggestions, please provide your comments below and mail them to the address preprinted on the back of this form. Please write legibly. You may attach additional sheets if necessary. Alternatively, you may submit your comments online at STB's Web site (<http://www.stb.dot.gov/>) by clicking on "E-Filing" and selecting "Environmental Comments" or by mailing a comment letter to the address provided on the back of this form.

Please include your name and address so that we can add you to our mailing list if you would like to receive subsequent information on the project. Thank you for taking the time to provide us with your comments.

What comments do you have about the Draft Environmental Impact Statement?

I don't think the Willow Route is the way to go. You have a moose wintering grounds at Rolly Creek & Willow Cr. You have lots of summer & winter trails. At this time the Rail is a 1 1/4 mile from me the new Rail will be less than a 1/4 mile from me and neighbors. And the Rail port is bad. with fast moving water + ice. And you got four Rivers to cross and a lot of wetlands

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

STB Finance Docket No. 35095
