I was calling to voice my opposition to the CN Railroad coming through Will County and specifically the Villages of New Lenox, Mokena, and Frankfort. We have done a lot to maintain a quality of life in this area and certainly our taxes, our property taxes indicate that. this railroad would be an extreme detriment to the quality of life in our community. Specifically, traffic which is always a challenge in Will County. If we continue to grow, my daughter is looking to become a small business owner and has targeted the New Lenox area for her business, this would greatly impact her ability to succeed in the area because of the frequency and the length of the railroad. Please reconsider this and hear my voice. And I can be contacted at 815-717-6220. My email is KathySingraber@hotmail.com. Thank you for your consideration. Bye
