Message:

I am writing to ask for your approval with regard to the purchase by CN Railway. By allowing this purchase, CN will re-route 90% of the surface rail freight traffic out of the highly populated village of Buffalo Grove. As a growing community with many young children, the reduction in freight traffic will add that extra measure of safety as they travel to and from school and many other activities. Please help us keep our children safe. I ask you to approve the purchase.
