Please fill out the following information to help us complete your filing:

Docket #: - 35087-
 Subject: * Barrington, IL Rail congestion
 First Name: * Ronald
 Middle Name: Eugene
 Last Name: * Perkins
 Address: * 1000 Oakland Drive

City: * Barrington
 State: * IL
 Zip Code: * 60010-
 Email Address: * Rpekrins13@aol.com
 Group/Affiliation: Rail Congestion Opposition
 Message:

I am writing about what could be a serious, quality of life issue in our community and surrounding communities. If the CN is allowed to increase Rail Traffic as planned, our community will literally be split in half. I know, first hand, what this can do to a community. If you want to know, go visit Granger, Indiana just north of South Bend. They have the same number of trains per day going through their community. As is Barrington, they are too small of a community to afford either an underpass or overpass. The very least the government can do is to work with the CN to build overpasses on NW Hwy (Rt 14) and Lake Cook Road. These are major feeders as is Ela road in our community. It is difficult for me to imagine that anyone would allow the freight traffic to increase as proposed without overpasses in mind...just unbelievable.
