If ~~the~~ Canadian National Railway purchases the E and J rail line the effects of the purchase will be disastrous for every family living in the Heritage Lake Estates subdivision. It will also be extremely detrimental to the families and individuals who purchased homes near the railway. If this purchase happens, my family will have to move, but our home will be impossible to sell at the purchase price. Hundreds of families will face this same predicament. It will completely halt the development of this area and force businesses to move to more profitable areas. Please, please, please!!! Do not allow Canadian National Railway to purchase the E and J rail line. My family's future will be very negatively affected by such an acquisition.
