Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

I am supporting the new proposal plan that Bob Cauffman
proposed. It is called the "San Pierre proposal." It will
be using the Monon R.R. Some of the R.R. is not in
service but as a 100' right-of-way, mostly 1 track
but has room for 2 tracks. Only 8.6 miles of
new track is needed to be built. We will be
saving 36 acres of farm ground in Porter Co.

Please consider it.

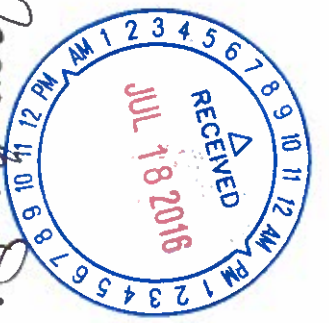

Thank You

Roger Clark
