Message: I write to solicit your stamp of approval to the above mentioned subject. The EJ&E railway is underutilized and it flows through my community (backyard), and I wholehearted, zealously support CN's acquisition of EJ&E line which result in a more efficient rail network, and bring less noise and congestion and quietness to my community, neighbors and myself. I support the goals of the Chicago Region Environmental and Transportation Efficiency Program so please, please I pray the proposed acquisition of EJ&E by CN goes forward. Thank you.
