Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: Aug 27, 2008

Comments must be submitted by September 30, 2008.

I heartily appose this acquisition of EJE Railroad. It would be a very difficult situation for the town of Barrington because we are crossed by the railroad in several locations. Emergency care, fire fighters, police etc could be tied up for an hour or more while long freight trains wind their way thru our village.

I urge the CN railroad to withdraw this offer and I also ask EJE to consider what this would mean to the people of Barrington community. I could go on and on about the environmental impact this would have on our community. Do not let this happen, please.
