Message:

I am concerned about the purchase of the EJ&E Rail Line by the Canadian National Railway. The rail traffic increase from an average of 16 trains per day now to 42 trains per day will cause significant travel delays at 17 crossings in my town of Plainfield. Because of the increased noise, vibration, and pollution from the increased rail traffic, our community will not be as safe or peaceful. I strongly oppose the purchase of the EJ&E railroad by the CN Railway.
