Dear Sir or Madam,

This is regarding STB. Docket # AB-167. Sub-No. 1095X. the Stone arch tunnel on Penn Route 222 North of Quarryville Borough, Lancaster County Penna. Providence Township.

Please accept that this is my letter of favor. of the memorandom of understanding / memorandom of agreement which exist between the railroad and the municipalities, to remove this structure.

I have held public office, either appointed or elected in this community for nearly 30 years. I have witnessed the inconvieance and damage that this structure has caused to many people, at thousands of dollars.

My opinion is that this structure now does more harm than good. and I hope you will assist in or authorize its removal.

Thank you for your kind consideration

Stuart F Wilson
