Railroads Involved:

The Canadian National Railway Corporation (CN)

Location of Problem:

Chicago suburbs

Name of Industry at Location:

Chicago suburbs

Serving Rail Carrier at Location:

The Canadian National Railway Corporation (CN)

Dates Problem Occurred:

see comment section for complaint

Comments:

The Canadian National Railway Corporation (CN) seeking approval to acquire the EJ&E West Company. CN would like to use the EJ&E railway as a "bypass" around rail lines of Chicago suburbs. This will increase from average of 16 trains per day to 42 trains per day and the CN trains will run up 10,000 feet in length (nearly two miles in length).

This is unacceptable due to traffic delay, safety of the crossings, and impact to neighborhood.
