Our town, Barrington has 1 ~~major~~ RR crossing multiple roads through town. Adding 15-20 freight trains/day at 7-15 minutes/train virtually shuts our town down. The tracks run a stone's throw from Barrington H.S. with thousands of students. The busses cross the EJE tracks hundreds of times @ day. Businesses will move out when people avoid town to avoid long waits. Our town, divided by RR severely impacts Medical response time as well as access to a hospital.

Our towns life + safety is at stake.
Our towns economic survival is at stake.
Our childrens safety/welfare is at stake.

Do not destroy our lives, our town, our Barrington.
Help us!
