Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Environmental Impact Statement

Date: 8/27/08

Comments must be submitted by September 30, 2008.

The transaction must be rejected. The dangers that this proposed deal poses to our community is much too serious to allow this deal to go forward. Without requiring CN to pay for building overpasses every citizen who lives near, plays near, attends school near or drives over these crossings every day faces serious risk. The government's job is to protect its citizens who pay taxes to live safely in this country. This proposed deal is a travesty. Please put the safety of our citizens first over the money that a Canadian Company will make at our expense.
