

DEAR MR. ELLIOTT,

I SUPPORT THE GREAT LAKES BASIN RAIL ROAD. (DOCKET FD 35952). IT IS PROPOSED TO BE BUILT WITH PRIVATE FUNDING. IT WOULD BRING JOBS! MANY THINGS BUILT ALONG ITS ROUTE AND BRING MUCH NEEDED JOBS. THE REGION HAS BEEN GROWING THE LAST 50 YEARS AND THIS RAILLINE WOULD BE GOOD ECONOMICALLY AND WOULD BE GOOD LONG TERM.

THE PEOPLE WHO OPPOSE IT ARE AMAZINGLY SILENT WHEN NEW HOUSING SUBDIVISIONS ARE BUILT IN THEIR TENS OF THOUSANDS. THEY SAY NOTHING ABOUT NEW SUBDIVISIONS CAUSING IN THEIR ARGUMENT ABOUT THE GLBRR "DESTRUCTION OF FARMLAND". THIS IS MOST HYPERCRITICAL.

THE G.L.B. R.R. SHOULD BE BUILT AND I SUPPORT USING EMINENT DOMAIN IF NEEDED. GROWTH CONTINUES, SHOULD WE HAVE MORE HOUSES THAT DON'T CREATE JOBS, OR SHOULD WE HAVE A RAIL LINE THAT WILL BENEFIT EVERYONE?
