Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/28/08

Comments must be submitted by September 30, 2008.

I am opposed to the sale of the Railway to a Canadian co. This sale & increase of 20 trains will impact my business negatively Customers are already commenting on the traffic now. I am concerned they will decide to go elsewhere do to the congestion.

We need to find ways to maintain US businesses to sell to US co.
