Dear Mrs. Johnson-Ball,

As a new resident of Mokena, I would like to voice my **opposition** to the Canadian National Railway Company acquisition of the Elgin, Joliet & Eastern Railway Company.

I am also **opposed** to CN leasing or using the EJ&E Rail lines, should this acquisition fail.

I purchased my new duplex in November, 2007, and I already have cracks in my foundation from the pounding of train rumbling by. I am sure that 28 or more longer and faster trains per day will take its toll on me and my home.

I hope you and The Surface Transportation Board members will take into consideration the people this acquisition will negatively effect and **vote NO**.

Sincerely,

Keith S. Weaver
