MATTOON, ILLINOIS: *Working Together to Build the Future*

December 12, 2007

Honorable Vernon A. Williams
Secretary
Surface Transportation Board
395 E Street S.W.
Washington, D.C. 20423-0001

Re: Finance Docket No. 35087 Canadian National Railway Company and Grand Trunk Corporation- Control- EJ&E West Company

Dear Secretary Williams:

Please accept this letter as notice that the City of Mattoon, Illinois intends to participate in the above cited proceedings as a Party of Record. I request that the City of Mattoon be added to the service list and receive copies of all motions, pleadings, correspondence and other fillings made in connection with the above cited proceeding to the following recipients:

David Cline
Mayor, City of Mattoon
208 North 19th
Mattoon, IL 61938

Alan Gilmore
City Administrator, City of Mattoon
208 North 19th
Mattoon, IL 61938

I would also like to take the opportunity to comment on the Canadian National Railway Company and Grand Trunk Corporation's request that the Surface Transportation Board (STB) treat the transaction as "minor" under the Board's rules, 49 C.F.R 1180.2. I believe that the STB should treat this case as a "significant" transaction rather than a "minor" transaction. I commend the STB for determining that an Environmental Impact Study will now be included in the transaction.

I am deeply concerned about the Canadian National Railway Company and Grand Trunk Corporation's request to acquire the EJ&E rail road and abandon the Lake Front Line and St. Charles Air Line rail routes. The St. Charles Air Line is the route that Amtrak trains Illini, Saluki and City of New Orleans use to access Chicago Union Station. The City of Mattoon believes this acquisition will ultimately have a negative impact on these Amtrak operations that serve our community. This acquisition will have profound consequences

on the 30,000 downstate constituents who annually utilize the Mattoon Amtrak Station. Those especially burdened will be business travelers and college students attending Eastern Illinois University and Lake Land College who are very dependant on public transportation. Without a viable route into Union Station these down state trains may be discontinued, leaving this part of Illinois without viable and cost effective public transportation.

Thank you for your attention to this matter and in your deliberations, please give the impact on downstate Amtrak riders your utmost consideration and the effects this action will have on downstate Illinois. Should any additional information be needed, please contact the following recipients as mentioned above.

Sincerely,

Mayor, City of Mattoon
