Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

- 1) Rail Not needed Chicago has CREATE and are working hard to keep traffic moving.
- 2) Road closures would be a hassle. Many Hwy's would have a huge traffic backlog.
- 3) Not enough information about owners-Investors. We do not need a foreign P.R. in the US.
- 4) Property Values, taxes, and street closures will cost Illinois more money than it will bring in.
