AS A Business Owner in Barrington @
400 LAGESCHULTE, I am terribly afraid of
what will happen to my business,
all business in Barrington, safety issues,
noise levels and all the other
things hundreds of people have
mentioned.

This town might just dry up
and die because of the increased
trains. People will die because
of the increased trains.

Barrington can not handle 30
more trains!

Please consider what will happen
to this historic town!

YOUR INPUT IS IMPORTANT!
