1. Which of the following applies to your situation?

- ☒ The proposed rail line is near my home.
- ☐ The proposed rail line is near my business.
- ☐ The proposed rail line crosses my property
- ☐ Other, please specify

2. What are your concerns regarding potential environmental impacts and do you have any mitigation suggestions?

How can a company buy a railroad for
its own use, and then say for future
companies to locate near the tracks
this seems like how to take itself
a common carrier for condemnation
rights only

3. Please use this space for additional comments or suggestions.

My main concern is the effect of
the quarry on the 30 or 40 families
that live on the north side of the quarry
also the effects of constant blasting
on the Medina Dam and the Edwards
Recharge Zone

Thank you for your comments.
