Submitter Comment:

As a resident of LaGrange, our family feels like we're constantly held hostage to train traffic. Less than a year ago we lived in Wheaton and rarely had to deal with this problem. It is obvious to us that this near-west suburban area suffers the brunt of train traffic while the far west suburbs have very little of the inconvenience. Can we please share the burden more fairly? Please support the sale of the EJ&E line to Canadian National.
