

Dear Ms. Johnson - Ball.

We are concerned for our community about all the trains that will be going thru our nice town. We have lived out here for 35 years and we sure saw this town grow. New Lenox is still a wonderful place to live and raise your family. It takes time now to get from one place to another with the large growth going on. We live a block off n. Cedar Rd and the traffic is something else when the Metra trains are leaving people off on 30 & Cedar Rd. I can't imagine more trains in our area. we love our small town atmosphere but with more trains it will wreck our town. Please →

don't let that happen to our
new Lerax.

Thank you
