RE: Finance Docket 34284
Question on Home and Farm Location

Dear Madam:

If not already a member, I would like to be made a consulting party to the programmatic agreement which is currently being prepared by the Texas Historical Commission.

My justification for this request stems from the fact I have a Texas Heritage farm and ranch inherited from the original Saathoff settlers in Quihi . On this property my mother currently lives in a home that is eligible for listing as an historic home.

The Eastern Route would affect our home, ranch and farm.

Sincerely,

Madelyn Schott
