Hi Catherine!

If you would include both of us, that would be great. Patrick is the cultural resource specialist for State trust lands.

Also, to Ken, I've asked the former Director's executive assistant to locate the letter I'd drafted for signature that states we desire to be a cooperating agency on the project. I did not get a signed copy back from the Director's office so am not sure what happened to it. If need be, we'll recreate the letter and have the acting Director sign it today. We will have a new Director officially on Monday under the new State administration.

Thanks!

Lisa

Subject: Tongue River Railroad Company Project (FD 30186)

Hi Lisa,

I am in receipt of your postcard indicating that MT DNRC is interested in continuing to consult with us regarding the above project. However, I note that you have listed Patrick Rennie as the Section 106 contact at your agency. Would you like me to delete you from my email and correspondence list for the purposes of 106 or would you like me to include the both of you?

Thanks for your continued participation in this project.

All the best,

-Cathy
