Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: _____

Comments must be submitted by September 30, 2008.

You state crossings that are significant - I think
NW Highway, Cuba, & Lake Zurich Rd are also
significant as I think traffic would back up
on to Elgin (confusing) NW Highway (off Lake Zurich Rd.)

I am very concerned about the Safety of
Children due to the proximity of tracks near
Lake Zurich High School as well as Barrington
High School & May Whitney Elementary School.

There is ~~no way~~ ^{difficult} to get to Lake Zurich & May
Whitney if there is a train.

YOUR INPUT IS IMPORTANT!
