Comments:

We need an Environmental Impact Statement because:

It is essential that, before changing 6 acres of land in our community, that we understand the ecological repercussions.

I feel that I have a right to know what I will be breathing.

I'd also like to know if there are other options for the use of the embankments than condo development.

PLEASE! More GREEN SPACES!

* REQUIRED FIELDS

I authorize the Embankment Preservation Coalition to file this comment with the Surface Transportation Board.
