Hello Diana,

Please note that as of today March 17, 2017 neither the Beers or the Perkis's have received the report that was to be resent per your email of Mar. 9. 2017.

We are very troubled as to why the packet has not been received, in order for us to have complete information regarding this important project which has a significant impact on our family, home, property and community. I don't know how we can be expected to respond to the report let alone meet the "deadline", which by the way has still not been confirmed in the emails below.

I'm sure there's a logical explanation.

I look forward to hearing from you at your earliest convenience.

I also sent you a separate email today concerning a recent confirmation on our property.

Regards,

Julie Perkis

Your neighbors, the Beers, confirmed that your address is still the same, so I have instructed SGR to resend the report to you.

Thanks!

SGR will send it again.

Also, I haven't heard back from the Perkis' as to whether their address is still 3188 CR 4516 Hondo, TX 78861. Do you know if this is correct, because if it is, I can instruct SGR to resend the report to them as well.

I just noted that you cc'ed the Beers. I have their address as:

3120 CR 4516
Hondo, TX 78861

Their copy was also returned to SGR with no forwarding address.

Good morning:

I sent an email to you about 10 minutes ago with the following message:

Dear Ms. Perkis:

In response to your call yesterday indicating that you did not receive a copy of the cultural report for the above referenced railroad project, SGR sent you a copy of the report on February 17th, but it was returned with no forwarding address.

The address that you provided to me at the time you requested to be a concurring party is:

3188 CR 4516
Hondo, TX 78861

Please confirm if this is correct.

Thanks!

Diana Wood

Good Morning Diana,

I've left you a voice message today, but wanted to follow-up with an email.

It is my understanding that a packet was supposedly mailed the latter part of Feb., however we have yet to receive it.

I've also checked the website for the correspondence, but have not been able to find anything noted.

Would you please let me know if the packet was mailed to all concurring parties and if so when, as many folks we've talked

to have not received the packet. This greatly concerns us as it is also my understanding that the packet had a very narrow window for a response so it is most urgent that we hear back in order to meet the deadline.

If you have the packet in pdf format that you can send...we can review and get back to you with a quick answer.

Thank you for your assistance. I look forward to hearing from you.

Kind Regards,

Jerry & Julie Perkis
