Re: Finance docket # 35087

I'm writing this letter in FIERCE opposition of the proposed acquisition of the E.J & E Railway by C.N Railway.

This is a horrendous deal for Will county, especially for New Lenox !

Train traffic will increase 10X or more.

Traffic back up's will be horrendous.

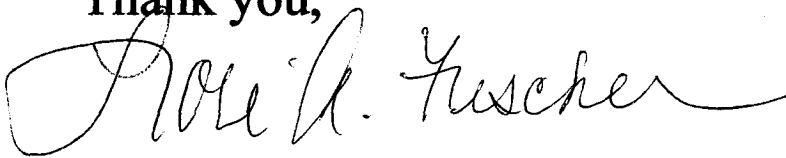

Emergency responders will NOT be able to reach there destinations in life threatening situations nor get to the hospitals

When waiting for a 2-3 mile train at the crossings.

Let's not forget the transportation of HAZARDOUS materials.

Vote "NO" to the C.N Railway purchase of the E.J & E Railway.

Thank you,
