Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

I am against this proposal unless

CN picks up all costs for updating
crossing grades. Why should I lose
property value of my home, pay increased
taxes + possibly lose my home or life
because a train happens to be coming
through. Why should CN a foreign company
reap the profits + the citizens of all
the local towns, cities + villages of the
USA pick up the costs.

YOUR INPUT IS IMPORTANT!
