Address	55 Otis Road				
Address 2					
City	Barrington Hills	State	IL	Zip	60010

Transcript:

I strongly think this is the wrong thing to do in our area. We have a beautiful lake within 150-200 yards, and you know the wildlife and stuff that's in there, it's going to really change the environment there. I would appreciate it if you guys wouldn't bring that through our town. Not to mention that it goes over the commuter tracks a couple times too. Thank you, your support would be appreciated.
