

CN | EJ&E

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 9-23-08

I am in support of the G.O. purchase
the E-J+E - Franklin Park needs a
reduction in the number of trains going
through our town. People being delayed &
late for work & school, I feel Franklin Park
needs a break.

[illegible]
