Subject: Docket No. 35952

Dear Mr Navecky

I am firmly AGAINST Docket No. FD
35952.

When the proposed GLB Rail line goes
thru Grundy County it will block or change
the way the drainage ditches drain our
fields. My home is located in a low
area which relies on good drainage by
these ditches to avoid flooding in my home.

I ask you VOTE AGAINST Docket
No. FD 35952.

Sincerely,

Kenneth McCormick
