Docket No. FD 35952

I am protesting the proposed construction of a new railroad line, Great Lakes Basin Transportation, Inc., in Winnebago County, Illinois (the docket number is 35952; the Winnebago county farm number is 2523).

This proposed railroad will divide my mother's farm, leaving a northern portion "landlocked." There would be no means of access for farming operations except by crossing the adjacent landowners' fields. This would probably result in her being forced to sell the land to others.

Thank you for your time and consideration regarding this matter.

Yours truly
