Re: Yakima Industrial Lead Abandonment
HAER Level III documentation DRAFT
STB Docket # AB-33 (Sub-No. 286X)

Dear Ms. Avery:

On behalf of Union Pacific Railroad Company, please find attached the HAER Level III documentation of the Union Pacific bridge at MP 62.92 of the Yakima Industrial Lead by Summit Envirosolutions, Inc. This document was prepared pursuant to a Memorandum of Agreement between the Surface Transportation Board, the Washington State Historic Preservation Officer and the Union Pacific Railroad Company. Please review and comment. We also request a final HAER number to label all documentation for final submittal.

If you have questions or need further information, please do not hesitate to contact me at 651-842-4202, or Danielle Goslin, Surface Transportation Board, 202-245-0300.

Sincerely,
Summit Envirosolutions, Inc.

Andrew Schmidt
Director of Cultural Resources
