Re: Olin Property, Wilmington, Massachusetts

Dear Ms. Johnson Ball:

Because the town of Wilmington and the neighboring City of Woburn have already had more than its share of environmental injustices, please do not subject us to more than we can handle again. We are unprepared for the odor and pests and noise that will be generated. But more importantly, we can not accomodate the safe transport of these hazardous materials. This site should remain undeveloped until its contamination issues are understood and resolved. We are unprepared in the event of a liquid or solid waste spill and the increased truck activity will have an enomously negative impact on an already overburdened highway!

PLEASE HELP OUR TOWN!!

Sincerely,

Carole Matte
