THIS IS IN REGARDS TO: CANADIAN REQUISITION STB
FINANCE DOCKET NO. 35087.

MY WIFE AND I LIVE ON THE SOUTH SIDE OF THE
PROPOSED CN TRACKS ALONG WITH MANY CITIZENS.

WE ARE CONCERNED ABOUT THE ADDITIONAL TRAIN TRAFFIC
AND NOISE IT WILL CREATE.

OUR HIGH SCHOOLS AND HOSPITALS ARE LOCATED ON THE
NORTH SIDE OF PROPOSED CN TRACKS. WITH THIS ADDITIONAL
28 TRAINS OR MORE PER DAY TRANSPORTING WHO KNOWS WHAT,
TYING UP ALL CROSSINGS AT THE SAME TIME. IT WILL BE
DISASTROUS FOR OUR CITIZEN'S NEEDING AMBULANCE SERVICE
OR THE FIRE DEPARTMENT.

WITH LONGER DELAYS CITIZENS' NEEDING TO USE A BATHROOM, IS
CN GOING TO PROVIDE AND PAY FOR PORTA-POTTIES ON BOTH
SIDES OF CROSSINGS?

WILL CN BUILD AND PAY FOR ALL OVERPASSES AT
CROSSINGS?

PLEASE DEFEAT REF: STB FINANCE DOCKET NO 35087

THANK YOU
