Address	1090 Midnight Path				
Address 2					
City	New Lenox	State	IL	Zip	60451

Transcript:

I just wanted to say that we completely, I completely oppose the railroad project that is underway. The proposal is preposterous. It is a safety issue to our children. It is a health risk if ever we need an ambulance and the traffic in New Lenox is already getting out of hand. I completely, completely oppose this and I can only hope that it goes through, that it doesn't go through and that my comment is taken seriously. Thank you.
