Hi, my name is Pam Greenfield and I'm a resident of an area right around the train tracks in Naperville. We didn't go to the public meeting that was held; wasn't really sure what it was for and really didn't receive all that much information on it at all. But we just wanted to know if you would be holding additional meetings and extending the period for making comments about the proposed train tracks. Very concerned about the impact that that would have on the community. So, if you could just give us that information, that would be greatly appreciated. Our number is 630-922-1205. Thank you. Bye.
